CONDITIONS OF PERMIT ISSUANCE:

An application for the Sale and Storage of Fireworks must be submitted for each retail location. A permit fee of \$25.00 for each retail location must be paid before a permit is issued. Checks shall be made payable to: Treasurer of Halifax County Virginia.

Proof of liability insurance coverage is required to be submitted with the Fireworks Application. Other documentation may be required.

Per Section 5601.2.4 of the Virginia Statewide Fire Prevention Code: Before a permit is issued, as required by

Section 5601.2, the applicant shall file with the jurisdiction a corporate surety bond in the principal sum of \$500,000 or a public liability insurance policy for the same amount, for the purpose of the payment of all damages to persons or property which arise from, or are caused by, the conduct of any act authorized by the permit upon which any judicial judgment results. The legal department of the jurisdiction may specify a greater amount when conditions at the location of use indicate a greater amount is required. Government entities shall be exempt from this bond requirement.

Per Section 5601.2.3 of the Virginia Statewide Fire Prevention Code: The fire official is authorized to limit the quantity of explosives, explosive materials, or fireworks permitted at a given location.
